

Kingston, Ontario, December 21, 2023 – This coming spring, Domino Theatre will be taking Kingston’s Theatre-Lovers back in time, to the Canada of the 1930s, with its production of Canadian playwrights Cedric Smith, George Luscombe, and Jack Winter’s work, *Ten Lost Years*.

Following a series of auditions that brought to us much talent, we are pleased to announce the actors and musicians, as well as the production team, who have been chosen to bring to life the variety of scenes inspired by documenter Barry Broadfoot, in his book entitled *Ten Lost Years 1929 – 1939: Memories of Canadians Who Survived the Depression*.
